Attire: Complete Uniform w/all Patches!

A 5th Degree Black Belt Required Class!

Why the Sword is Respected:

The sword art has been respected in China not only because the techniques and skills needed are hard to learn, but also more importantly because the morality and spirit of the practitioner have to be of very high order in order to reach the highest level of the art. The training is long and arduous, and most people first learn to use other short weapons, such as the saber, in order to build a foundation.

*Bring: LUNG CHUAN STRAIGHT SWORD
or Wooden Straight Sword*
